I saw [REDACTED]'s note about the EOC activating but I haven't seen anything officially. I guess finding a back up night person for this weekend may be a good idea. FYI [REDACTED] is still on leave so she's not a contender.

Subject: ECO Active?

I just saw a note that EOC was activated due to the Dixie fire.
If you are going on nights now, then I should probably start looking for another sub for the weekend.
