Subject: Dixie Fire - Preliminary Summary (Update)

This report is confidential and preliminary. It is for internal use only. It is based on available information as of the date of this communication, and the data is subject to change.

Preliminary Summary Information as of 0630 7/14: Dixie Fire in Oroville, Butte County, North Valley. Tier 3

Unfortunately CAL FIRE did not get good containment on the 2 acre fire, which was surrounded by retardant and practically stopped yesterday evening. About 2230 last night the fire spread outside of the “containment” lines and ran upslope.

HAWK entry at 0621 7/14: Per PSS, Dixie Fire is now estimated at 100+ acres burning both moderately upslope and downcanyon towards Canyon Creek Road and our T-line assets. Electric T and D teams are engaged. SIPT looking at pre-treatment opportunities near the heel of the fire on the Bucks Creek 1101 Circuit.

HAWK entry at 1848 7/13: Per Twitter information, 1-to-2-acre vegetation fire surrounded by retardant drops and a road. Fire is burning in steep terrain with heavy timber.

Per ILIS Report: Tman found FUCO blown at 1640. Tman reported tree into line with a grass fire. DO notified **internal** EIR hotline at approximately 2250.

Assets in area: Rock Creek-Poe 230 KV line, Bucks Creek-Rock Creek-Cresta 230 KV, Caribous-Palermo 115 KV, Bucks Creek 1101 in the area along with the Cresta Dam.

EII has been notified and gathering intel.
