Subject: RE: Dixie Fire - Bucks & Caribou

We're shutting down work at Bucks around 1:30. Caribou, for guys who are headed down 70, will shutdown at 1-1:30. I will be up to Caribou after we shut down bucks.

I will send another email, and call rock creek, when we are all confirmed evacuated from the powerhouse.

FYI, Bucks U1 was just started. We will secure the powerhouse best we can before leaving.
