Paul Moreno, spokesman for PG&E, said that the crews de-energized transmission lines this morning at the request of firefighters. As of 11:30 a.m. approximately 10,000 PGE customers in Plumas County were without power. PSREC was also affected, but has switched to alternate power and restored electricity to its South customers.

PG&E continues to monitor the Dixie Fire, with crews on-site to support first-responders. **PG&E** is investigating options to restore power. The last update mentioned 2:15.
