Dixie Fire and PG&E

Hi [REDACTED]

Thanks for your inquiry. For any questions about the fire and its cause, please contact Cal Fire. Below is some info from PG&E.

- The safety of our customers and communities is PG&E primary responsibility.
- PG&E continues to monitor the Dixie Fire in Butte and Plumas counties, and we have crews on-site to support first-responders.
- Late this morning several transmission lines lost power from the Dixie Fire's smoke. Approximately 10,000 PGE customers in Plumas County lost power. We restored power to all customers by 2 p.m.
- The fire is near the footprint of the Camp Fire.

Best,

[REDACTED]
