Subject: PR765850-V2 - Poe PH Cresta PH & Scott Dam Fall Protection - Certex 2021

Hey 

Just FYI PR765850-V2 - Poe PH Cresta PH & Scott Dam Fall Protection - Certex 2021 has been approved and sent to Certex. Pending their submission and your approval of a PSSP, Certex can start any time after 8/2. Will you please keep  looped in on work start dates so they can post accruals in the correct months?

Thank you!
