Info for ICS 201 - Power Generation

Here is Power Generation's contribution to the ICS 201:

Operations Priorities/Objecties:

Currently there are no Power Generation assets at risk due to the fire.

- Power Generation twill support the established island with Caribou powerhouse to maintain power to the customers impacted by the Caribou-Table Mtn. 230

Let me know if you have any questions.

Pacific Gas & Electric Company
Sr. Director, Hydro O&M
