Subject: Operations Section Update

[REDACTED] – Here are the current priorities and activities for the Ops section. Please let me know if you need any additional info at this time.

As we move towards the first operational period, the Ops Section will provide operational objectives

Distribution – [REDACTED] is the Distribution Lead

- 3 customer out on the Bucks Creek 1101 (OIS 1403461)
- North Valley OEC is active
- Field Ops is on stand-by to support needs of Cal Fire
- SIPT crews are pre-treating poles that are accessible on the Bucks Creek 1101
- No report of asset damage at this time

Transmission – [REDACTED] is the Transmission Lead

- Caribou-Table Mtn 230Kv line is out

Veg – [REDACTED] is the lead

Power Gen - Currently there are no Power Generation assets at risk due to the fire.

- Power Generation will support the established island with Caribou powerhouse to maintain power to the customers impacted by the Caribou-Table Mtn. 230
