We need to reschedule this walkdown to next week due to the Dixie Fire burning nearby. Fire started yesterday near Cresta Dam and is now ~1200 acres 0% containment and there are a lot of fire personnel in the area. Let me know what days work best for the following week and hopefully we will have some control on this fire by then.

Thank you,

Subject: Poe Dam - Crane Placement Walkdown

When: Tuesday, July 20, 2021 10:00 AM-12:00 PM (UTC-08:00) Pacific Time (US & Canada).

Where: Meet at Cresta PH and travel to Poe Dam

Please plan to meet at Cresta PH upstream of Poe Dam. From there we will park and carpool to the dam to reduce vehicles parked at the dam. Cresta is located 1.8 miles East of Poe Dam and is searchable as "PGE Cresta Hydro Powerhouse" in Google. Please let me know if you need additional directions and I can provide a map pin drop for Apple Maps or a KMZ location.
