Subject: EOC Back-up?

[REDACTED] - Any chance you could be a back-up sub for me LNA for nights Friday 7/16 – Sunday 7/18?

I had arranged for [REDACTED] to take my place this weekend, despite the fact that [REDACTED] is currently assigned to nights. We were both betting that either 1) EOC wouldn't open at all this week, or 2) EOC would only open for a capacity event, which does not require a LNA at nights.

We both just saw [REDACTED] note that EOC opened due to the Dixie fire. She said she hasn't been called yet, so there is a chance she won't be called in now, and could therefore take the weekend shift. But I figured I'd better seek a back-up just in case.

I'm going out of town this weekend for a memorial service of a long-time friend.
