@stephenasmith

I'm sincerely sorry.

**intended to offend ANY COMMUNITY, particularly the Asian Community – and especially SHOHEI Ohtani, himself. As an African-American, keenly aware of the damage stereotyping has done to many in this country, it should've elevated my sensitivities even more. Based on my words, I failed in that regard and it's on me, and me alone! Ohtani is one of the brightest stars in all of sports. He is making a difference, as it pertains to inclusiveness and leadership. I should have embraced that in my comments. Instead, I screwed up. In this day and age, with all the violence being perpetrated against the Asian Community, my comments -- albeit unintentional -- were clearly insensitive and regrettable. There's simply no other way to put it. I'm sincerely sorry for any angst I've caused with my comments on First Take this morning. Again, I am sorry.**
