Teams chat between [REDACTED]

[REDACTED] 7/14/2021, 9:25 AM

Had my head down with River and other assorted items. What's the status on Dixie in terms of license to send out Epage and IR?

[REDACTED] 9:27 AM

My plan was to shoot out the final epage with notification that all other notifications was going to come via IR. [REDACTED] and [REDACTED] should have an update any sec as the Ops briefing should be over, It started at 0800

[REDACTED] 9:28 AM

We'll take it from here. Good work last night. Much appreciated.

[REDACTED] 9:29 AM

[REDACTED] (ET) sent an interesting email (0921) about the Dixie and Transmissions plans, Thanks guys, see you in a few
