Team, I suggest we all attend the Alchera training today. I'd like us to understand more about the pilot project.

[REDACTED]

Hey, guys. [REDACTED] just pinged me that they are going to activate the EOC for the Dixie fire. [REDACTED]

He may need help with Evacuation reports. He is getting more details. [REDACTED]
Can you open a ticket to look into [REDACTED] AGOL p-set? I'm hoping we can get support from some of the experts and supervisors to add AID users if this EOC goes long.

Ticket created for [REDACTED] license level...
