Sukhdev.

What security sw are we buying?

I have not received ANY updates on red image since my last email on Friday. Can you please send me an update.

Thanks.

Hi Sunny-  
Should we plan on sending a 3rd device to bagram as a backup? Or will we just be sending the 2 for the study?  
Thanks,  
Dan

Dan, how many 4s are we deploying to Afghanistan. We need to buy a security sw license and need to know how many we should buy.
