I do everything I say - word for word.

I am never a minute late.

I show no excitement. (pibt 3/19). calm, direct, pointed, non-emotional.

ALL ABOUT BUSINESS.

I am not impulsive.

I do not react.

I am always proactive.

I know the outcome of every encounter.

I do not hesitate.

I constantly make decisions & change them as needed.

I give IMMEDIATE feedback, non-emotionally.

I speak rarely. When I do - CRISP and CONCISE.

I call bullshit immediately.

My hands are always in my pockets or gesturing.

I am fully present.
