Subject: RE: No ELISA Timelines Mtg Tomorrow

Hi Elizabeth,

Attached is the weekly update for the ELISA projects. The first tab provides an overview of all the projects, Each assay is then shown as a separate tab detailing the status and breakdown of the timeline. Some of the assays have been just assigned to developers and are in the early stages of reagent arrivals.

Surekha

Subject: No ELISA Timelines Mtg Tomorrow

Hi Surekha,

Instead, EAH would like you to email her and myself updates for tomorrow's meeting.

Thank you,

Janette Chan
