Elizabeth,

You have provided a quarterly update to me, and sometimes to other investors, from the time I invested in Theranos over 4 years ago, until the middle of last year. You also indicated that there would be the kind of information I was looking for when the tender materials were to be circulated. Now, you have left us totally clueless if and when these materials will be circulated. I understand you don't have an obligation to update us, but it would be appreciated if you would arrange a call.

Thank you,
Alan

There is no quarterly update we provide. As mentioned to you before, we will send updates to all investors at the same time.

Another 2 months have passed without any updates on the tender or the business. Can we schedule a call sometime over the next couple of weeks?

Thank you,
