Hi Adam, I've attached an agenda for your visit. Please plan to arrive at 458 Brannan Street, San Francisco by 11:45am. Probably have to eat an early lunch that day (sorry!). Your first meeting is with the executives at noon followed by lab and clinical staff. Please let me know if you have any questions.

 Hi Swaroop

That's excellent. I am looking forward to meeting with the team on Friday October 10th.

Best,

Adam

Hi Adam, it was good to meet you as well. I will try to set up a visit from 12-5pm on Oct 10. Please plan to arrive at our San Francisco lab facility at 458 Brannan Street by 11:45am. This was the best I can do given our dispersed team and it's Friday. Let me know if this works for you.

Best,
 Swaroop

 Hi Swaroop

Great meeting with you today, and finding out more about the lab director position at Invitae. I'm definitely interested in next steps. I think this is an outstanding opportunity.

I am free any time after noon on Friday October 10th.

Best,

Adam

Hi Swaroop

Yes that would work. Where should we meet?

Hi Swaroop

Thanks for your email. I'd be glad to meet with you in the coming week to discuss working at Invitae. I'm free for lunch on Monday, September 29th, Wednesday October 1st or Tuesday October 7th. Do any of these dates work for you?

Looking forward to meeting with you.

Regards,

Adam

Hello Adam,

I received your email from Molly Ryan, who is helping us identify potential candidates for a lab director role at Invitae. I serve as head of medical genetics at Invitae and would appreciate some time to meet with you to provide background on Invitae's mission and directions ahead and to discuss this opportunity for a lab director position. If you are available in the coming week or two, please let me know which dates/times work for you and perhaps we can meet for lunch or coffee in Palo Alto.

Best regards,

Swaroop
