Dan:

Thanks for this note and your comments below.

I'll give you a call to connect re: Greg.

We had a good call with Jerry and a woman on his team on Friday of last week in anticipation of our meeting.

It will be wonderful to have you here on the 17th.

We have confirmed Friday with Alex. It was great to have him here last week. If you are available, it would be wonderful to have you here as well as always.

Looking forward to connecting,
Elizabeth

Elizabeth,

I hope all is well. I am happy that each of the potential investors from the Walton, Cox, DeVos and Niarchos families are proceeding very well as I would expect.

Greg brought me up to speed on where the Waltons stand. There are a couple of open questions we might discuss and on which I have some ideas when you have time.

I know Jerry Tubergen is set to meet with you in Palo Alto on the 14th and he is bringing several family members, including Doug, who runs Amway, who I think you will enjoy meeting. They are very enthusiastic about being in your core group going forward.

I will see you on the 17th with at least two or more from the Niarchos Foundation. Once I know who will be coming, I will let you know and will send you the topics that they would like to cover. Again, very enthusiastic about the opportunity.

On the Cox family, it sounds like you had a very good meeting with Alex Taylor who really enjoyed the opportunity to meet with you. If you can make it work, Alex, John Dyer (CEO of Cox Enterprises) hope to meet with you this Friday. Again, very enthusiastic and excited about being part of your core group.

I would be happy to speak about any of these at any time.

Best, Dan
