Hi Elizabeth and Pete,

I would be delighted to talk with you, Pete. I am around next week but not in my office. We can speak via my cell phone at a convenient time. Let me know some times that are suitable.

Looking forward to it.

Best wishes

David

Subject: Introduction

David,

By way of this email I would like to introduce you to Pete Thomas. Pete is the founding partner in a venture firm with whom we are exploring an investment relationship; Pete would be coming in with Lucas who you know from your conversations with Mark Foley. I know we are right in the middle of holidays but if you are able to connect that would be great -- Pete knows some of your background and wanted to get from the horse's mouth so to speak a sense of the value of the Theranos platform to pharma and Pfizer.

Thanks and all the best,

Elizabeth.
