Subject: Theranos memo
Attachments: Theranos Summary Oct 3 2014.doc

Hey Jerry, here's the memo you were looking for that goes a little further beyond just summarizing the call last week with Elizabeth. I also tried to incorporate a high-level overview of the key parts of everything I've read in the materials she sent. I think it gives you and the family members going on this trip a short but solid basis of the company, its objectives, its history, its advantages, its skeptic's views, etc... and enough of a view to have an engaged and productive meeting on Tuesday without having to read through the foot of materials she sent.

If this is not the direction you want to go, let me know, I'm happy to re-work it tomorrow.
