thanks. will speak in the am. thanks for the help and sticking by. appreciate it.

In future, just don't answer any questions as they will trap you or misquote you. we are trying to get on top of the situation and release our statements to refute the falsehoods. but this stuff takes time.

thanks again.

Sunny,

FYI

I talked to this guy superficially- Told him to call you all directly for info.

call me for details.

Sunil
