Sunny,

lets do this on saturday- can I sign at your facility, and we can review the documents- the stuff from last saturday and the employment stuff you were going to send me. 2-4 is ok if you are free or suggest another time.

thanks for dropping by.

I need couple of hours from you this coming weekend. unfortunately I have close to 300 SOPs that need signing. I can have team send this out 50 at a time each day this week electronically as that might be easier. sorry for the last minute on this I was trying to find a way to avoid doing this manually... thanks in advance...
