Elizabeth,

Would it work for you to meet at 3pm on Tuesday the 16th? Rob and Greg are on a panel at 2pm that ends at 3pm.

Best, Dan

Dan:

What a small world – it will be wonderful to meet. I will be co-hosting a dinner with Toby Cosgrove on the evening of the 15<sup>th</sup>, and then as you referenced speaking the next morning. Let me know what windows are most convenient for you to meet and we will coordinate on our end to match them,

Elizabeth

Elizabeth,

I see that you are going to be speaking at Byron's Trott's conference on Tuesday September 16 in Chicago. I am planning to be there and look forward to hearing your discussion. I am on one of the panels the next day. In addition, Rob Walton and Greg Penner will also be there. Greg is on a panel at 10:25am on Tuesday and again with Rob at 2pm. If it works for you, I would like to see if I could set up a time for Rob, Greg and I to meet you during the conference.

Best, Dan

Elizabeth,

Thank you for the extensive materials on Theranos. I thoroughly enjoyed reading the materials and can't tell you how appreciative and thankful I am for the opportunity to become one of your shareholders. I could not be more impressed with what you have accomplished and what lies ahead for Theranos. I spoke to Dr. Kissinger earlier today and gave him my thoughts on the materials. I also prepared an outline over the weekend with my thoughts and analysis, which I am sending to him by hand and have also sent along to the Niarchos Foundation. I have a few questions and want to follow up on your offer of a briefing but thought I would wait until I have any further questions that might be raised by the Niarchos Foundation people after they have had a chance to review the materials and my outline.

With respect to the Walton family, I checked in with Greg Penner but he has not yet received the materials. He has signed the CDA and I wanted to check to be sure that one of the copies of the materials that came to me was not intended to be for him. I have enclosed a copy of his address card to confirm his address. I know Greg is looking forward to reviewing the materials and Rob has asked him about this several times.

Best, Dan
