Holmes_iPhone_iMessage-MMS-SMS_047273	iMessage	10/17/2015 7:07:44 PM	The amazing thing to me is this is exactly what we experienced at US Healthcare. We cut the cost of health insurance and improved the quality and yet the papers in the beginning ripped us because the other insurers did not want us. Then the papers realized that we were on to something and we became a true wall street darling. It is such a interesting paralel.	Jay Rosan	Elizabeth Holmes, Sunny Balwani	chat237668952154262650
