Hi Elizabeth.

Couple quick questions.

Is there someone I may have my EA connect with to arrange the details of our visit on the 14?

And, regarding that visit, perhaps we can chat very briefly later next week to begin determining the appropriate folks for us to bring out. Right now we are thinking about Doug DeVos (runs Amway) his sister Cheri (Amway board member), Rick DeVos, a third generation family member (founder of Artprize, and Startgarden---Google him, I think you'd be interested) and me. But perhaps we should talk it thru with you first if possible?

Thanks, Elizabeth. Have a wonderful weekend.

Jerry
