Jackie,
I will get to this one soon. I will for next week. I will call Rachel to get some specifics.

Regards

Hi David,

Here is a nominee for Seattle. I will be meeting with her next week, let me know if you want me to go over the AMRP with her. We would like to get her up and running as soon as possible, due to the fact that there are not many local speakers in Seattle.

Thanks
Hope all is well.

Subject: Speaker Interest

Hi Jackie:

Dr Elena Robinson is interested in becoming a speaker on behalf of Cephalon on Actiq. She is a well respected thought leader in the community. Dr. Robinson is a neurologist who has a special interest and experience in treatment of headaches and neuropathic pain. She received her medical degree and completed residency in Neurology and fellowship in Pain Management at the University of Washington. During her training, she participated in research and gained experience in headache management working at hospitals in London, England; and St. Petersburg, Russia. Dr. Robinson performs diagnostic and therapeutic procedures for treatment of chronic pain problems.
