Rachelle,

Excellent job! This is exactly the type of information we need to effectively collaborate with our wholesalers. I am comfortable with next steps and will reach out to the wholesalers. If you have some time today, you can sit in on the calls and we can go through this together. Otherwise, I will provide feedback once available.

Nancy

Subject: Pharmacy buying through multiple wholesalers

Good morning Nancy and Michael –

We have a pharmacy that is purchasing Oxy IR through 3 different wholesalers. I'm advising that we should address this pharmacy buying pattern with the three wholesalers. Their buying pattern appears very consistent from all three wholesalers, at times, purchasing product from all three on the same day. McKesson, Cardinal, and ABC are the wholesalers.

The pharmacy is Dao Pharmacy Inc, in Pennsylvania. This is not the first time this pharmacy has come up on the multiple wholesalers report.

Thanks,
Rachelle
