Hi – I think 50 copies/person is a good start. Whichever service normally used is fine and yes, the roster I sent today is the most up-to-date list.

Thanks again,

Nathalie

Just let me know how many to each person and the service that you want us to send it. And if you don't send an updated roster, I assume that the one you sent today is the most recent one.

Thanks

Good Afternoon,

We are going to be working on the Kadian Pocket Vis Aid Pocket Folder (KAD18D0228, my question is are we going to be doing a drop shipment with these? IF so I would like to do it as we are working on it on the floor verses placing it in inventory and then having to pull them out again. Please let me know when you have a chance.

Thanks

Good Morning,

Attached is the tracking for the drop shipment to the reps. You might have to format the tracking number so that it shows correctly. Highlight column and format to number.

Thank you

Good Morning,

These are shrink wrapped in packs of 25 so you want me to ship 4 shrink wrap packs out to the reps. I am just verifying this so that they receive the correct amount. Please let me know.

Thanks

Hi Wanda,

Please see the attached file for the sales rep address information. We have 18 reps; the two names highlighted in grey (Mike Shepherd and Mark Killion) are managers. There is no need to send these two any of the guides.

I would like for the reps to receive the guides on Tuesday or Wednesday of next week.

Thanks – please let me know if you have any questions.

Thanks again,
