**Attachments:** San Francisco Target List.xlsx; San Diego-LA.xlsx; Las Vegas Target List.xlsx

Todd,

Here is the second e-mail that has the research Nathalie did showing where the physicians were originally aligned before they moved to the San Francisco territory. I have attached the original target lists for San Francisco, San Diego and Las Vegas which will show her information is correct. The only one who wasn't moved was Dr. Sprague but the other five were moved. Were these prescribers aligned back to the original target lists? Again, we didn't know how many other prescribers were moved because we were waiting to see your analysis. Thanks.

Mark

**Subject:** RE: Targets

Mark,

I only ran the names last night – not the territories. The problem docs (except Sprague) were originally aligned in different territories. The territories must have changed post-inVentiv's data scrub. Make sense?

Nathalie,

I just left you a voicemail. This is the same file I have but five of the doctors still didn't show up on it. I will try you again in your office tomorrow to discuss. I will be in my office as well (317-837-8345). Thanks.

Mark,

I just bumped the names below up against Actavis' original target list plus the most recent target list that Todd sent out. All of the names appear on both lists – these are definitely targets we want Shelley to be calling on – and they should certainly have been there all along.

I'm not sure why they weren't on the original target list – maybe they were some of the 300 or so that got dropped in Ventiv's initial scrub? Todd, any ideas?

NL

Nathalie and Todd,

See the e-mail below from Shelley Fitch. I was with her yesterday and we discussed this issue. The physicians listed below are currently showing up in her IPAQ device but were not on her original target list, added by her or on the address match file Inventiv ran recently. Do we know where these physicians came from and why they were added? Thanks.

Mark

**From:** Fitch, Shelley

**Sent:** Tuesday, July 14, 2009 2:11 AM

**To:** Killion, Mark

**Subject:** Targets

Mark,

As I mentioned today, six targets were recently downloaded into my IPAQ that are neither from my original list or from the new "address match" list.

The targets are as follows:

Christina Sprague NP - 551 Minna Street, San Francisco 94103

Carlos Untal MD - 4860 Y Street, Sacramento

Charles McCrory MD - 60 Whittington Drive, Newcastle, Ca 95658

Alex Phan MD - 7373 West Lane, Stockton, Ca.

Howard Rosen MD - 40 Walnut Street, Redwood City, Ca 94603

Timothy Davis MD - 400 Parnassus Street, San Francisco 94143

There is also a target that is on the "address match" list that is not currently matched to any of my original targets. This physician's name is Quok Vo and the address is 1 Schrader Street, San Francisco, Ca.

See you tomorrow,  
Shelley
