100/TB 

Hi Leslie,
The special order for Watson item #410059 PROPAFENONE HCL 225 MG 100/TB did not ship yesterday - my apologies. It will definitely ship today for delivery on Monday. I will not be in the office next week but Lourdes Lamas will keep an eye on this and let you know once it delivers.

The Hydrocodones for Publix should be received soon. I asked the WH to put them on reserve for you. #1596 pcs of each sku #200570 and #251950.

Thank you!!
