About PR Newswire

PR Newswire, a Cision company, is the premier global provider of multimedia platforms and distribution that marketers, corporate communicators, sustainability officers, public affairs and investor relations officers leverage to engage key audiences. Having pioneered the commercial news distribution industry over 60 years ago, PR Newswire today provides end-to-end solutions to produce, optimize and target content -- and then distribute and measure results. Combining the world's largest multi-channel, multi-cultural content distribution and optimization network with comprehensive workflow tools and platforms, PR Newswire powers the stories of organizations around the world. PR Newswire serves tens of thousands of clients from offices in the Americas, Europe, Middle East, Africa and Asia-Pacific regions.

Cision is a leading media communication technology and analytics company that enables marketers and communicators to effectively manage their earned media programs in coordination with paid and owned channels to drive business impact. As the creator of the Cision Communication Cloud™, the first-of-its-kind earned media cloud-based platform, Cision has combined cutting-edge data, analytics, technology and services into a unified communication ecosystem that brands can use to build consistent, meaningful and enduring relationships with influencers and buyers in order to amplify their marketplace influence. Cision solutions also include market-leading media technologies such as PR Newswire, Gorkana, PRWeb, Help a Reporter Out (HARO) and iContact. Headquartered in Chicago, Cision serves over 100,000 customers in 170 countries and 40 languages worldwide, and maintains offices in North America, Europe, the Middle East, Asia, Latin America and Australia. For more information, visit www.cision.com or follow @Cision on Twitter.

Fast Facts about PR Newswire:

Actavis

Actavis' U.S. Generics business is the dominant source of revenue for the Company with approximately 84% of total generic net revenue coming from the Company's business in this market. The Company is focused on maintaining a leading position in the U.S. generics market, where it currently holds approximately 10% market share. In 2011, Actavis expanded its U.S. generic product line with the launch of 18 generic products. In addition to the generic versions of CONCERTIA® and LIPITOR®, the Company launched generics of Famvir®, KADIAN®, Keppra XR®, AMRIX®, and new oral contraceptives including Amethia™ (a generic version of SFASONIQUE®), Amethia®Lo (a generic version of Ilo SFASONIQUE®), and Amethyst™ (a generic version of Iyarel®). In 2011, the Company held a 36% share of the U.S. market in generic oral contraceptives with more than 30 product formulations. During the year, the Company announced the initiation of a number of patent challenges, including challenges to OxyContin®, Vigamox®, Welchol®, Viagra®, Pataday™, AVODART®, Vyvanse®, JALYN™, EMBEDA®, Daytrana®, Atelvia™, and Exelon®.
