**Attachments:** 2013 and 2014 Advocacy Grant History Report.xlsx

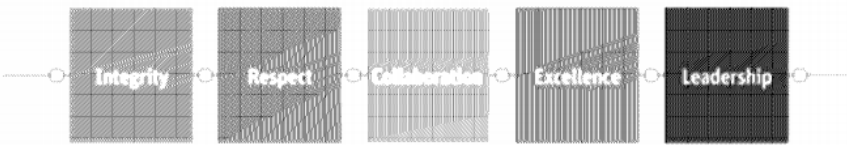

Hi Paula,

Attached is a Grant History report that I just ran from January 1, 2013 through September 1, 2014. The states are listed. Some of the program it would be hard to determine the exact nature based upon the title. However, most would have been Patient Education (not necessarily Medical Education, but Education nonetheless). The report also gives amounts approved and sent.

Hopefully, this report will help suffice what you are looking for Nicole.

Thanks.

**Subject:** FW: Walks, dinners, medical education programs information

Could you please take a stab at gathering info on the following for our colleague in Public Affairs? Any patient ed programs we supported in 2013 and to-date 2014 in these states: VA, Utah, NY, PA, NJ, FL, MO? Send to me – I'll try to pull the same for Med Ed and – and I'll send it back to Nicole in one file. Hopefully we can get something to her by the end of next week or beginning of the following. I'll let her know we are looking into it.

Thanks,  
Paula

**Subject:** Walks, dinners, medical education programs information

Hi Paula,

Can you please help me find information by state as to what dinners, walks, and medical education programs Teva supports? See the email traffic below, Donna Faix suggested I reach out as I am trying to put together state fact sheets about Teva's presence to provide policymakers and all that stuff is helpful.

Thanks,

Nicole

Thanks, Donna. This is great! Who should I contact about local walks and dinners? This used to be handled by medical advocacy but not sure who tracks this stuff now?

**Subject:** RE: Charitable donations data

Hi Nicole,

Hope you are well. So sorry for the delay in responding, I was traveling and out of the office. I can supply you with the total cash donations during 2013 which was 2.2 million and we donated to about 110 organizations in 2013 as well. As far as the organizations we support in the specific listed states, I do not have this information readily available. We did support specific organizations as part of our 2014 Community Partners for each site indicated below:

**VA**

Centra Hospice  
Free Clinic of Central Virginia

**OH**

Lighthouse Youth Services

**SLC**

Ronald McDonald House Charities

**KC**

Shadow Buddies Foundation

**PA**

Bringing Hope Home  
Bryan's Dream (NY & NJ)  
ConKerr Cancer  
CHOP  
MANNA

Please note, these are our 2014 community partners, not 2013. Hope this helps.  
Thanks!

**Subject:** Charitable donations data

Laurie/Donna,

Is there a way I can get a list of donations or organizations we support in VA, Utah, NY, PA, NJ, FL, MO? Denise mentioned that you track this type of stuff....

Also, is there a \$\$ number of total charitable contributions Teva made in 2013?

Thanks!

Nicole
