

Marked Grants

Recipient: Beth Israel Medical Center
Location: New York, NY
Type of recipient: Hospitals (general)
Grantmaker: Altman Foundation, NY
Grantmaker geographic focus: NY
Grant amount: \$134,500
Year authorized: 2000
Description: For renewed support for Department of
Pain Medicine and Palliative Care Family Caregiver Program
Type(s) of support: Continuing support; Program
development
Subject(s): Aging; End of life care; Family services,
home/homemaker aid; Hospitals (general); Jewish agencies &
temples; Pharmacology

Recipient: Beth Israel Medical Center
Location: New York, NY
Type of recipient: Hospitals (general)
Grantmaker: Altman Foundation, NY
Grantmaker geographic focus: NY
Grant amount: \$145,000
Year authorized: 1999
Description: To help Department of Pain Management and
Palliative care develop and disseminate Caregiver Resource
Directory
Type(s) of support: Publication
Subject(s): Aging; End of life care; Family services,
home/homemaker aid; Hospitals (general); Human services;
Jewish agencies & temples; Pharmacy/prescriptions

Recipient: National Pain Foundation
Location: Denver, CO
Type of recipient: Medicine/medical care, public
education; Health organizations
Grantmaker: The Anschutz Foundation, CO
Grantmaker geographic focus: National
Grant amount: \$25,000
Year authorized: 2001
Description: For general operating support
Type(s) of support: Continuing support;
General/operating support
Subject(s): Health organizations

Recipient: National Pain Foundation
Location: Denver, CO
Type of recipient: Medicine/medical care, public

education; Health organizations
Grantmaker: The Anschutz Foundation, CO
Grantmaker geographic focus: National
Grant amount: \$30,000
Year authorized: 2000
Description: For general operating support
Type(s) of support: General/operating support
Subject(s): Health organizations

Recipient: University of Colorado Health Sciences
Center, Department of Neurology
Location: Denver, CO
Type of recipient: Health sciences school/education
Grantmaker: Avenir Foundation Inc., CO
Grantmaker geographic focus: National
Grant amount: \$60,000
Year authorized: 2001
Description: For clinical research project entitled,
Treatment of Neuropathic Pain in the Elderly
Type(s) of support: Research
Subject(s): Aging; Brain research; Geriatrics
research; Government, state; Health sciences
school/education; Neuroscience research

Recipient: Childrens Hospital
Location: Boston, MA
Type of recipient: Hospitals (specialty)
Grantmaker: The Lynde and Harry Bradley Foundation
Inc., WI
Grantmaker geographic focus: National; international
Grant amount: \$50,000
Year authorized: 1999
Description: For initial development of Jane B. Pettit
Comprehensive Pain Program at Childrens Hospital of
Wisconsin
Type(s) of support: Program development
Subject(s): Children/youth; Hospitals (specialty);
Neuroscience; Pharmacology

Recipient: Forest Park Institute
Location: Fort Worth, TX
Type of recipient: Neuroscience research; Pharmacology
research
Grantmaker: Amon G. Carter Foundation, TX
Grantmaker geographic focus: TX
Grant amount: \$35,000
Year authorized: 1999
Description: For pain management research
Type(s) of support: Research
Subject(s): Neuroscience research

Recipient: Compassion in Dying Federation
Location: Portland, Oregon
Type of recipient: End of life care; Civil liberties,
right to die
Grantmaker: Columbia Foundation, CA
Grantmaker geographic focus: CA
Grant amount: \$100,000
Year authorized: 2001
Duration: 2-year grant
Description: To provide national leadership, client
services, legal advocacy and public education to improve
pain and symptom management, increase patient empowerment
and self-determination, and expand end-of-life choices to
include aid-in-dying for terminally ill, mentally competent
adults
Type(s) of support: Program development
Subject(s): Aging; Civil liberties, right to die; End
of life care

Recipient: University of Pennsylvania
Location: Philadelphia, PA
Type of recipient: Higher education, university
Grantmaker: The Commonwealth Fund, NY
Grantmaker geographic focus: National
Grant amount: \$24,575
Year authorized: 2000
Description: For project, Assessing Nursing Home
Residents' Satisfaction with Pain Management: Development
of a Pain Priorities Instrument
Type(s) of support: Research
Subject(s): Aging; Health care; Higher education,
university; Medical care, bioethics; Nursing
home/convalescent facility; Pharmacy/prescriptions

Recipient: Beth Israel Medical Center, Department of
Pain Medicine and Palliative Care
Location: New York, NY
Type of recipient: Hospitals (general)
Grantmaker: The Commonwealth Fund, NY
Grantmaker geographic focus: National
Grant amount: \$25,000
Year authorized: 1999
Description: To establish New York Quality of Care at
the End of Life Research Consortium
Type(s) of support: Research
Subject(s): Aging; End of life care; Hospitals
(general); Jewish agencies & temples; Medical care,
bioethics; Pharmacy/prescriptions

Recipient: American Pain Foundation
Location: Baltimore, MD
Type of recipient: Health care, information services;
Medicine/medical care, public education
Grantmaker: The Nathan Cummings Foundation, NY
Grantmaker geographic focus: National; international
Grant amount: \$12,500
Year authorized: 2001
Description: To develop content for and design
interactive, end-of-life section for web page to increase
consumer access to information on pain management and end-
of-life care
Type(s) of support: Electronic media/online services
Subject(s): End of life care; Health care;
Telecommunications, electronic messaging services

Recipient: Massachusetts General Hospital
Location: Boston, MA
Type of recipient: Hospitals (general)
Grantmaker: The Dana Foundation, NY
Grantmaker geographic focus: National
Grant amount: \$96,205
Year authorized: 2000
Description: For medical research project, Clinical
Hypotheses in Brain-Body Interaction, examining two
different areas, one will image cancer patients being
treated with acupuncture to see if treatment induces
changes in regions of their brains associated with pain-
relieving effects, and the second will test hypothesis that
treatment of prostate cancer with anti-androgen therapy,
experimental hormone treatment that does not lower sex
hormone levels, results in less depression and cognitive
impairment than standard treatment
Type(s) of support: Research
Subject(s): Brain research; Hospitals (general); Men;
Neuroscience research; Prostate cancer research;
Psychology/behavioral science

Recipient: State University of New York at Buffalo
Location: Buffalo, NY
Type of recipient: Higher education, university
Grantmaker: The Dana Foundation, NY
Grantmaker geographic focus: National
Grant amount: \$100,000
Year authorized: 2000
Description: For medical research project, Clinical
Hypotheses in Brain-Body Interaction, examining whether
body's immune cells are affected by central nervous system
changes that are produced in response to pain in peripheral
nerves
Type(s) of support: Research
Subject(s): Brain research; Government, state; Higher
education, university; Immunology research; Nerve, muscle &

bone research; Neuroscience research

Recipient: University of Medicine and Dentistry of
New Jersey, Foundation of the
Location: Somerset, NJ
Type of recipient: Education, single organization
support; Medical school/education
Grantmaker: The Ira W. DeCamp Foundation, NY
Grantmaker geographic focus: National
Grant amount: \$25,000
Year authorized: 2000
Description: For programs at Pain Center
Type(s) of support: Program development
Subject(s): Medical school/education; Nursing care;
Pharmacy/prescriptions

Recipient: Compassion in Dying Federation
Location: Portland, Oregon
Type of recipient: End of life care; Civil liberties,
right to die
Grantmaker: Deer Creek Foundation, MO
Grantmaker geographic focus: National
Grant amount: \$50,000
Year authorized: 1999
Description: For national litigation program
challenging laws that obstruct terminally ill patients'
access to pain medication
Type(s) of support: Program development
Subject(s): Aging; Civil liberties, right to die; End
of life care; Legal services, public interest law;
Patients' rights; Pharmacy/prescriptions

Recipient: Yale University, School of Medicine,
Department of Neurology
Location: New Haven, CT
Type of recipient: Higher education, university
Grantmaker: The Max and Victoria Dreyfus Foundation
Inc., NY
Grantmaker geographic focus: National
Grant amount: \$25,000
Year authorized: 2000
Description: For Neurophysiology in Chronic Pain
Research
Type(s) of support: Continuing support; Research
Subject(s): Higher education, university; Neuroscience
research; Pharmacology research

Recipient: Yale University
Location: New Haven, CT
Type of recipient: Higher education, university
Grantmaker: The Max and Victoria Dreyfus Foundation
Inc., NY
Grantmaker geographic focus: National
Grant amount: \$35,000
Year authorized: 1999
Description: For Neurophysiology in Chronic Pain
Research
Type(s) of support: Research
Subject(s): Higher education, university; Neuroscience
research; Pharmacology research

Recipient: Duke University Medical Center
Location: Durham, NC
Type of recipient: Hospitals (general)
Grantmaker: Doris Duke Charitable Foundation, NY
Grantmaker geographic focus: National
Grant amount: \$140,000
Year authorized: 2001
Description: For Doris Duke Clinical Scientist
Development Award for clinical research on Improving Pain
Management in Palliative Care: A Randomized Controlled
Trial of Academic Detailing for General Practitioners vs.
Patients
Type(s) of support: Fellowships; Research
Subject(s): End of life care; Health care; Hospitals
(general); Pharmacology research

Recipient: University of North Carolina Hospitals
Location: Chapel Hill, NC
Type of recipient: Hospitals (general)
Grantmaker: The Duke Endowment, NC
Grantmaker geographic focus: NC; SC
Grant amount: \$69,044
Year authorized: 2002
Description: To establish pain and symptom care program
Type(s) of support: Continuing support; Seed money
Subject(s): Government, state; Hospitals (general);
Medical care, outpatient care; Pharmacology;
Pharmacy/prescriptions

Recipient: University of North Carolina Hospitals
Location: Chapel Hill, NC
Type of recipient: Hospitals (general)
Grantmaker: The Duke Endowment, NC
Grantmaker geographic focus: NC; SC
Grant amount: \$73,345
Year authorized: 2001
Description: To establish pain and symptom care program

Type(s) of support: Seed money
Subject(s): Government, state; Hospitals (general);
Medical care, outpatient care; Pharmacology;
Pharmacy/prescriptions

Recipient: Healing Heart Foundation
Location: Springfield, NJ
Type of recipient: Health care, patient services;
Pediatrics
Grantmaker: The Healthcare Foundation of New Jersey,
NJ
Grantmaker geographic focus: NJ
Grant amount: \$100,000
Year authorized: 2000
Description: For project, Pain Management for Children
with Cancer: Quality of Life at the End of Life
Type(s) of support: Program development
Subject(s): Cancer; Children/youth; End of life care;
Health care, patient services; Pediatrics;
Pharmacy/prescriptions

Recipient: Overlook Hospital
Location: Summit, NJ
Type of recipient: Hospitals (general)
Grantmaker: The Healthcare Foundation of New Jersey,
NJ
Grantmaker geographic focus: NJ
Grant amount: \$124,000
Year authorized: 1999
Description: To improve end-of-life care for dying
patients and to improve pain management for all patients by
creating Palliative Care Consultation Team available to all
medical staff
Type(s) of support: Faculty/staff development
Subject(s): Aging; End of life care; Hospitals
(general); Nursing care; Pharmacy/prescriptions

Recipient: Valerie Fund
Location: Maplewood, NJ
Type of recipient: Human services
Grantmaker: The Healthcare Foundation of New Jersey,
NJ
Grantmaker geographic focus: NJ
Grant amount: \$200,000
Year authorized: 1999
Description: To create day school program for children
and young adults with sickle cell anemia who, due to pain
and pain management, miss school
Type(s) of support: Program development
Subject(s): African Americans/Blacks; Children/youth;
Elementary/secondary education; Human services; Physically

disabled; Sickle cell disease

Recipient: Cancer Care
Location: New York, NY
Type of recipient: Cancer; Family services,
home/homemaker aid
Grantmaker: The Hearst Foundation Inc., NY
Grantmaker geographic focus: National
Grant amount: \$50,000
Year authorized: 2000
Description: Toward Center Pain Support and Education
Initiative
Type(s) of support: Program development
Subject(s): Cancer; Family services, home/homemaker
aid; Health care; Nursing care; Pharmacy/prescriptions

Recipient: Beth Israel Medical Center, Department of
Pain Medicine and Palliative Care
Location: New York, NY
Type of recipient: Hospitals (general)
Grantmaker: William Randolph Hearst Foundation, NY
Grantmaker geographic focus: National
Grant amount: \$120,000
Year authorized: 2001
Description: For Physician Fellowship Program
Type(s) of support: Fellowships
Subject(s): Aging; End of life care; Hospitals
(general); Jewish agencies & temples; Medical
school/education; Pharmacology; Pharmacy/prescriptions

Recipient: Becker College
Location: Worcester, MA
Type of recipient: Higher education, college
Grantmaker: The Highland Street Connection, MA
Grantmaker geographic focus: MA
Grant amount: \$25,000
Year authorized: 2000
Description: For pain recovery management program
Type(s) of support: Program development
Subject(s): Higher education, college; Neuroscience;
Pharmacy/prescriptions; Public health

Recipient: Elder Care Ethics Associates
Location: Moorestown, NJ
Type of recipient: End of life care; Medical care,
bioethics
Grantmaker: The Robert Wood Johnson Foundation, NJ

Grantmaker geographic focus: National
Grant amount: \$199,961
Year authorized: 2002
Duration: 2-year grant
Description: To foster development and implementation
of pain management guidelines in New Jersey's long-term
care facilities
Type(s) of support: Program development; Research
Subject(s): Aging; End of life care; Health care;
Medical care, bioethics; Nursing home/convalescent
facility; Pharmacy/prescriptions

Recipient: Oregon Health Sciences University, Center
for Ethics in Health Care
Location: Portland, Oregon
Type of recipient: Health sciences school/education
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National
Grant amount: \$42,570
Year authorized: 2002
Duration: 1.50-year grant
Description: For research project, Family Perceptions
of Pain at End-of-Life: Trends Over Time
Type(s) of support: Research
Subject(s): Aging; End of life care; Government,
state; Health sciences school/education; Medical care,
bioethics

Recipient: Rutgers, The State University of New
Jersey, Institute for Health, Health Care Policy and Aging
Research
Location: New Brunswick, NJ
Type of recipient: Higher education, university
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National
Grant amount: \$274,997
Year authorized: 2002
Duration: 2.75-year grant
Description: For research project, Pain as Policy:
Social Negotiation of Pain in Medicine, Culture, and Public
Policy in post-World War II America
Type(s) of support: Research
Subject(s): Government, state; Health care; Higher
education, university; Military/veterans; Population studies

Recipient: University of Montana, College of Arts and
Sciences
Location: Missoula, MT
Type of recipient: Higher education, university
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National

Grant amount: \$593,400
Year authorized: 2002
Description: For technical assistance and direction
for Promoting Excellence in End-of-Life Care, program to
increase availability of hospice care for larger portion of
dying patients who will benefit from better management of
pain, more control of the course of their death and more
satisfactory closure to their lives
Type(s) of support: Continuing support; Program
development; Research; Technical assistance
Subject(s): Aging; End of life care; Government,
state; Health care; Higher education, university;
Residential/custodial care, hospices

Recipient: University of Wisconsin, Medical School
Location: Madison, WI
Type of recipient: Higher education, university
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National
Grant amount: \$421,800
Year authorized: 2002
Duration: 2-year grant
Description: For national initiative to promote
improved cancer pain management through collaboration with
American Cancer Society
Type(s) of support: Program development; Research
Subject(s): Aging; Cancer; End of life care;
Government, state; Health care; Higher education,
university; Pharmacy/prescriptions

Recipient: University of Wisconsin, Medical School
Location: Madison, WI
Type of recipient: Higher education, university
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National
Grant amount: \$200,450
Year authorized: 2002
Description: For national profile of pain relief and
public policy as it relates to end-of-life care and
pharmaceutical services
Type(s) of support: Continuing support; Research
Subject(s): Aging; End of life care; Government,
state; Health care; Higher education, university;
Pharmacy/prescriptions

Recipient: Dartmouth College
Location: Hanover, NH
Type of recipient: Higher education, university
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National
Grant amount: \$457,925

Year authorized: 2001
Duration: 2.25-year grant
Description: For drop-in group medical appointments
and standard assessment and feedback for management of pain
in primary care
Type(s) of support: Program development; Research
Subject(s): Health care; Health care, cost
containment; Health care, HMOs; Higher education,
university; Neuroscience; Pharmacy/prescriptions

Recipient: University of Montana, Practical Ethics
Center
Location: Missoula, MT
Type of recipient: Higher education, university
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National
Grant amount: \$1,091,720
Year authorized: 2001
Description: For technical assistance and direction
for Promoting Excellence in End-of-Life Care, program to
increase availability of hospice care for larger portion of
dying patients who will benefit from better management of
pain, more control of the course of their death and more
satisfactory closure to their lives
Type(s) of support: Continuing support; Program
development; Research; Technical assistance
Subject(s): Aging; End of life care; Government,
state; Health care; Higher education, university; Medical
care, bioethics; Residential/custodial care, hospices

Recipient: University of Montana, Practical Ethics
Center
Location: Missoula, MT
Type of recipient: Higher education, university
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National
Grant amount: \$839,417
Year authorized: 2000
Description: For technical assistance and direction
for Promoting Excellence in End-of-Life Care, program to
increase availability of hospice care for larger portion of
dying patients who will benefit from better management of
pain, more control of the course of their death and more
satisfactory closure to their lives
Type(s) of support: Continuing support; Program
development; Research; Technical assistance
Subject(s): Aging; End of life care; Government,
state; Health care; Higher education, university; Medical
care, bioethics; Residential/custodial care, hospices

Recipient: University of Wisconsin

Location: Madison, WI
Type of recipient: Higher education, university
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National
Grant amount: \$1,408,628
Year authorized: 2000
Duration: 4-year grant
Description: To assess state's policies on cancer pain initiatives
Type(s) of support: Program development; Research; Technical assistance
Subject(s): Aging; Cancer; Government, state; Health care; Higher education, university; Medical care, bioethics; Pharmacy/prescriptions

Recipient: Brown University, Center for Gerontology and Health Care Research
Location: Providence, RI
Type of recipient: Higher education, university
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National
Grant amount: \$53,427
Year authorized: 1999
Description: For preparation of monograph on prevalence and management of pain in nursing homes
Type(s) of support: Publication; Research
Subject(s): Aging; Health care; Higher education, university; Medical care, bioethics; Nursing home/convalescent facility; Pharmacy/prescriptions

Recipient: University of Montana, Practical Ethics Center
Location: Missoula, MT
Type of recipient: Higher education, university
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National
Grant amount: \$799,904
Year authorized: 1999
Description: For technical assistance and direction for Promoting Excellence in End-of-Life Care, program to increase availability of hospice care for larger portion of dying patients who will benefit from better management of pain, more control of the course of their death and more satisfactory closure to their lives
Type(s) of support: Continuing support; Program development; Research; Technical assistance
Subject(s): Aging; End of life care; Government, state; Health care; Higher education, university; Medical care, bioethics; Residential/custodial care, hospices

Recipient: University of Wisconsin, Medical School

Location: Madison, WI
Type of recipient: Higher education, university
Grantmaker: The Robert Wood Johnson Foundation, NJ
Grantmaker geographic focus: National
Grant amount: \$998,000
Year authorized: 1999
Duration: 2.50-year grant
Description: For project to assess states' pain
management policies
Type(s) of support: Continuing support; Program
evaluation; Research
Subject(s): Aging; Government, state; Health care;
Higher education, university; Medical care, bioethics;
Nursing care; Pharmacy/prescriptions

Recipient: University of Michigan Hospitals,
Department of Neurology
Location: Ann Arbor, MI
Type of recipient: Hospitals (general)
Grantmaker: Max Kade Foundation Inc., NY
Grantmaker geographic focus: National; international
Grant amount: \$27,850
Year authorized: 2000
Description: For research and training in
neurophysiology of pain, focusing on study of cerebral
mechanisms of chemogenic hyperalgesia
Type(s) of support: Faculty/staff development; Research
Subject(s): Brain research; Hospitals (general);
Neuroscience research

Recipient: Museum of Contemporary Art (MOCA)
Location: Los Angeles, CA
Type of recipient: Museums (art)
Grantmaker: The J. M. Kaplan Fund Inc., NY
Grantmaker geographic focus: NY
Grant amount: \$10,000
Year authorized: 2001
Description: For book, Life Death Love Hate Pleasure
Pain: Works in the Museum of Contemporary Art, Chicago
Collection
Type(s) of support: Publication
Subject(s): Museums (art)

Recipient: Delaware Cancer Pain Initiative
Location: Hockessin, DE
Type of recipient: Cancer; Pharmacy/prescriptions
Grantmaker: Laffey-McHugh Foundation, DE
Grantmaker geographic focus: DE
Grant amount: \$26,000
Year authorized: 2000
Description: For program development

Type(s) of support: Program development
Subject(s): Cancer; Pharmacy/prescriptions

Recipient: Delaware Cancer Pain Initiative
Location: Hockessin, DE
Type of recipient: Cancer; Pharmacy/prescriptions
Grantmaker: Laffey-McHugh Foundation, DE
Grantmaker geographic focus: DE
Grant amount: \$25,000
Year authorized: 1999
Description: For general support
Type(s) of support: General/operating support
Subject(s): Cancer; Pharmacy/prescriptions

Recipient: Museum of Contemporary Art
Location: Chicago, IL
Type of recipient: Museums (art)
Grantmaker: Lannan Foundation, NM
Grantmaker geographic focus: National
Grant amount: \$25,000
Year authorized: 2002
Description: For exhibition, Life Death Love Hate
Pleasure Pain
Type(s) of support: Exhibitions
Subject(s): Museums (art); Visual arts

Recipient: Memorial Sloan-Kettering Cancer Center
Location: New York, NY
Type of recipient: Hospitals (specialty); Cancer
research
Grantmaker: Richard Lounsbery Foundation Inc., NY
Grantmaker geographic focus: National; international
Grant amount: \$100,000
Year authorized: 1999
Description: For research project, Pain and Palliative
Care
Type(s) of support: Research
Subject(s): Cancer research; End of life care;
Hospitals (specialty); Pharmacology research

Recipient: American Pain Foundation
Location: Baltimore, MD
Type of recipient: Health care, information services;
Medicine/medical care, public education
Grantmaker: The Medtronic Foundation, MN
Grantmaker geographic focus: National; international
Grant amount: \$100,000

Year authorized: 2001
Description: For Stop Pain Now Campaign
Type(s) of support: Capital campaigns
Subject(s): Health care

Recipient: Beth Israel Medical Center
Location: New York, NY
Type of recipient: Hospitals (general)
Grantmaker: The Medtronic Foundation, MN
Grantmaker geographic focus: National; international
Grant amount: \$100,000
Year authorized: 2001
Description: For Integrative Pain Therapy program
Type(s) of support: Program development
Subject(s): Hospitals (general); Jewish agencies & temples; Medical care, rehabilitation

Recipient: American Pain Foundation
Location: Baltimore, MD
Type of recipient: Health care, information services; Medicine/medical care, public education
Grantmaker: The Medtronic Foundation, MN
Grantmaker geographic focus: National; international
Grant amount: \$50,000
Year authorized: 2000
Description: For Patients in Pain
Type(s) of support: Program development
Subject(s): Health care; Neuroscience; Pharmacy/prescriptions

Recipient: University of Texas Medical Branch,
Department of Internal Medicine, Division of Gastroenterology
Location: Galveston, TX
Type of recipient: Medical school/education
Grantmaker: The Moody Foundation, TX
Grantmaker geographic focus: TX
Grant amount: \$118,864
Year authorized: 2000
Duration: 2-year grant
Description: For basic research at Enteric Neuromuscular Disorders and Pain Center, in order to better understand relationship between enteric nervous system and brain
Type(s) of support: Research
Subject(s): Digestive disorders research; Government, state; Internal medicine research; Medical school/education; Neuroscience research

Recipient: Beth Israel Medical Center
Location: New York, NY
Type of recipient: Hospitals (general)
Grantmaker: The New York Community Trust, NY
Grantmaker geographic focus: NY
Grant amount: \$80,000
Year authorized: 1999
Description: For pain management and palliative care program
Type(s) of support: Program development
Subject(s): Aging; End of life care; Hospitals (general); Jewish agencies & temples; Pharmacy/prescriptions

Recipient: American Pain Foundation
Location: Baltimore, MD
Type of recipient: Health care, information services; Medicine/medical care, public education
Grantmaker: Open Society Institute, NY
Grantmaker geographic focus: National; international
Grant amount: \$100,000
Year authorized: 2001
Description: For end-of-life and other programs
Type(s) of support: Program development
Subject(s): Aging; End of life care; Health care; Neuroscience; Pharmacy/prescriptions

Recipient: Judge David L. Bazelon Center for Mental Health Law
Location: DC
Type of recipient: Civil rights, disabled; Legal services, public interest law
Grantmaker: Open Society Institute, NY
Grantmaker geographic focus: National; international
Grant amount: \$40,788
Year authorized: 2001
Description: For continued support to create and maintain pain and palliative care law reporter on Internet
Type(s) of support: Continuing support; Electronic media/online services; Seed money
Subject(s): Civil liberties, right to die; Civil rights, disabled; Legal services, public interest law; Mentally disabled; Neuroscience; Pharmacy/prescriptions; Telecommunications, electronic messaging services

Recipient: University of Wisconsin
Location: Madison, WI
Type of recipient: Higher education, university
Grantmaker: Open Society Institute, NY
Grantmaker geographic focus: National; international

Grant amount: \$125,000
Year authorized: 2001
Description: To allow PPSG to increase capacity for individuals and groups advocating for public policy on pain management
Type(s) of support: Program development
Subject(s): Aging; End of life care; Government, state; Higher education, university; Medical care, bioethics; Neuroscience; Patients' rights; Pharmacy/prescriptions

Recipient: Judge David L. Bazelon Center for Mental Health Law
Location: DC
Type of recipient: Civil rights, disabled; Legal services, public interest law
Grantmaker: Open Society Institute, NY
Grantmaker geographic focus: National; international
Grant amount: \$40,788
Year authorized: 2000
Description: Toward creation and maintenance of pain and palliative care law reporter on Internet
Type(s) of support: Electronic media/online services
Subject(s): Aging; Civil rights, disabled; Disabled; End of life care; Legal services, public interest law; Mentally disabled; Neuroscience; Patients' rights; Telecommunications, electronic messaging services

Recipient: University of Wisconsin
Location: Madison, WI
Type of recipient: Higher education, university
Grantmaker: Open Society Institute, NY
Grantmaker geographic focus: National; international
Grant amount: \$37,500
Year authorized: 2000
Description: For continued support toward project, Resource Program to Address Barriers to Availability of Opioids for Pain Relief
Type(s) of support: Continuing support; Research
Subject(s): Government, state; Higher education, university; Neuroscience; Pharmacy/prescriptions

Recipient: American Pain Foundation
Location: Baltimore, MD
Type of recipient: Health care, information services; Medicine/medical care, public education
Grantmaker: Open Society Institute, NY
Grantmaker geographic focus: National; international
Grant amount: \$100,000
Year authorized: 1999
Description: For general support

Type(s) of support: General/operating support
Subject(s): Health care

Recipient: Partnership for Caring: Americas Voices
for the Dying
Location: DC
Type of recipient: End of life care; Civil liberties,
right to die
Grantmaker: Open Society Institute, NY
Grantmaker geographic focus: National; international
Grant amount: \$59,977
Year authorized: 1999
Description: Toward national consumer-based, education
and legislative pain initiative, No Pain, All Gain
Type(s) of support: Program development
Subject(s): Aging; Civil liberties, right to die; End
of life care

Recipient: University of Wisconsin, Office of
Research and Sponsored Programs
Location: Madison, WI
Type of recipient: Higher education, university
Grantmaker: Open Society Institute, NY
Grantmaker geographic focus: National; international
Grant amount: \$37,500
Year authorized: 1999
Description: To fund A Resource Program to Address
Barriers to Availability of Opioids for Pain Relief
Type(s) of support: Program development
Subject(s): Government, state; Health care; Higher
education, university; Pharmacy/prescriptions

Recipient: Advocates for Childrens Pain Relief
Location: Los Altos, CA
Type of recipient: Health care, alliance;
Pharmacy/prescriptions
Grantmaker: Peninsula Community Foundation, CA
