Subject: Miami Pharmacy buying Oxy 30mg from ABC
Attachments: Lifeline Pharmaceuti Oxy 30mg buying April.pdf; Lifeline Pharmaceuti Oxy 30mg buying May.pdf

Our SOM program monitoring the 867 data from our wholesalers has flagged a pharmacy out of Miami purchasing large quantities of Oxy 30mg from ABC - 800 bottles in April and 900 bottles MTD in May. Besides the high volume, this pharmacy is buying 97% Oxy 30mg. The balance of the products purchased is a few bottles of Gabapentin, Temazepam, etc. Based on the product mix purchased and the volume, we need to bring this to ABC's attention to see if it falls within ABC's guidelines of purchasing.

The pharmacy is called Lifeline Pharmaceuti – below is the address and DEA #. I have also attached their reports on their purchases for April and May.

They are buying it from the ABC Orlando facility.

Mike P., Kelly – do you have any guidance on how to approach ABC with this? Can we forward the reports to the ABC buyer?
