Chris,

Attached are the Actavis logos and a description of the company. Please refer to Actavis as either "Actavis Kadian LLC" - the entity that distributes the product or simply "Actavis." Actavis Kadian LLC is a subsidiary of Actavis Inc, which in turn is a holding company for the Actavis US entities.

I apologize for the delay.

Terri,

I have attached the logo in both jpg and eps formats. FYI - The logo just states "Actavis" and doesn't specify group or Inc. (Similar to the logo shown on my email footer.)

Regards,

David

David,

Do you have: Actavis logo in .jpg, .gif or .eps formats, at least 200 pix wide. I need the logo for a Kadian-related educational web site.

Thanks.

Terri, did you get your answers? I defer the logo file format to David Myers, who handles this for marketing material.

Actavis Kadian LLC log in jpg or eps formats, at least 200 pix wide? Alternatively, do we have it for Actavis Inc. or Actavis Group? This is for the Kadian educational web site.

Thanks

Hi Terri,

Please see the attached Q2 PainEDU Prevention and Intervention Subscription Report – it's an MS PowerPoint file. The report provides summary information about the website, its content, and it's growth – please let me know if you have any questions as you review the file.

We'd like to add Actavis as a sponsor to the PainEDU website ASAP. We need three things from you:

- Actavis logo in .jpg, .gif or .eps formats, at least 200 pix wide
- A very short description of the company, which will be featured on the site (2-3 sentences). Something like this:  
  
"Actavis is one of the world's leading players in the development, manufacture, and sale of first-class generic pharmaceuticals. Founded in 1956, the Group has more than 10,000 employees operating in over 40 countries around the globe."
- Confirmation on how you want the name of the company to appear: "The Actavis Group" or something different?

Would you like to set up some time to review the first two quarterly sponsorship reports that you've now received? We could also include a review of the first NAVIPPRO report that we have sent – we'd like to answer any questions that you might have. Please advise – thanks.

Many thanks,

Chris
