**Subject:** Updated List of Customers Not Eligible to Purchase Controls from Anda  
**Attachments:** Anda Customers to be Reported June 2017.xlsx

The attached revised document provides an updated list of customers whose control privileges have been denied and are not eligible to purchase controls from Anda. The most recent determination to deny controls is based upon the most recent dispense data submitted by the customer and not an order. Please feel free to contact me if you have any further questions.
