Michelle,

We have an order for 2000 Oxycodone 30mg that is being held because the customer has not previously ordered such a large quantity of this item. Please ask the customer to provide us with the following.

- A written explanation of the reason for the size of this order
- An updated Customer Questionnaire
- SOP's

The above information is required from the customer by **9pmEST today or the order will not ship**. If the information is not received by 4pm tomorrow (January 14th), the order will be deleted.

Thank you.
