Answers That Matter.

Eli Lilly and Company

Lilly Corporate Center
Indianapolis, IN 46285
317/433-5606

Lilly is a leading innovation-driven pharmaceutical corporation. We are developing best-in-class pharmaceutical products by applying the latest research from our own worldwide laboratories and from collaborations with well-known scientific organizations. We are seeking answers for some of the world's most urgent medical needs. As our products save and improve lives, they also save overall health care costs: they are often less expensive than other forms of health care, such as surgery and hospitalization.

Medtronic
