Subject Oxycodone sales

We have a wide range of Oxycodone business in our stores.
The busiest store in Florida is in Orlando filling almost 18 Oxycodone RXs per day.
We also have stores doing about 1 a day. Are we turning away good customers?

Please review the stores in your district, and use the CEs that I sent out a couple of weeks ago.
Each store needs to be doing the right thing.

Thanks,
Terry

Great info, this is an entire month and an all strengths. Please look at stores on the bottom end (I see some that are very low dispensing that are just low total Rx's) inappropriately. We need to make sure we aren't turning legitimate scripts away. Please reinforce.

Thanks, Joel
