Morning, can you confirm if you would retain control over the company? It wouldn't be an outright sale?

I don't have a controlling vote now & wouldn't expect any shareholder to have one if we go private. I won't be selling in either scenario.

Interesting and would you like to stay CEO if this goes through?

We'll miss the quarterly earnings calls... maybe you could continue them in some informal capacity when private? Skipping the financial stuff and focusing on business meat

I would love to watch Elon doing quarterly YouTube streaming Q&A.

Yeah, @YouTube would be smart to jump on that opportunity. Would you do it, @elonmusk?
