Elon –

I really appreciate you taking the time today to have a constructive two-way dialogue. As you know, we are very much aligned in our interests and we want to be there to help and be a sounding board where we can. My direct contact information is below if you ever feel the need to reach out on anything. I will do the same. Hopefully we will be able to see you in late August in Fremont if you are around. Take care in the interim and remember the golden rule..."Delete...Don't Tweet" 😊

Best,

Joe
